# ANGOLA Basketball Camp 2018

**BOYS GRADES 1st-6th**

## TO THE CAMPERS

One of our favorite things about coaching at Angola High School is the opportunity it gives us to work with and develop lifelong relationships with the youth in our program. We are excited to see so many familiar faces and look forward to the new faces that join us this year.

Our camp will be one of the best high school camps in the state of Indiana. We believe our program provides many opportunities for you to learn and enjoy the game of basketball. The skills and knowledge you will learn in this camp will provide you with the tools necessary to become a complete player.

Through our daily program and individual instruction, you will learn proper fundamentals, practice habits, and how a commitment to excellence and a positive attitude can separate you as a player.

Over the past 6 years we have built a "Championship" caliber program and are excited that you are a part of our growing tradition and looking forward to seeing you at camp. Through games, contests, individual instruction, and guest speakers, we strive to hold the best possible camp and pride ourselves on our ability to do so. We can't wait to see you there!

Sign up soon to guarantee your spot! It is a great time to be a Hornet!
